~~[PROPOSED]~~ ORDER

17
18 This matter is before the Court on Federal Defendants' Consent Motion for Entry of
19 Judgment. For good cause shown, and because the remand required by the Courts' orders dated
20 November 2, 2006 (Dkt. 157) and January 24, 2007 (Dkt. 189) has been completed, the Court
21 determines that final judgment should be entered terminating these consolidated cases.
22 Accordingly, consistent with the terms of the Court's November 2, 2006 and January 24, 2007
23 orders, it is hereby ORDERED AND ADJUDGED as follows:

24 1. The motion for summary judgment filed by Plaintiffs Home Builders Association
25 of Northern California, Building Industry Legal Defense Foundation, California Building
26 Industry Association, California State Grange, and Greenhorn Grange is DENIED.

27 2. The motion for summary judgment filed by Plaintiffs-Intervenors Tsakopoulos
28 Investments, Tsakopoulos Family Trust, Drosoula Tsakopoulos, and George Tsakopoulos is
DENIED.
